Dear Aki,

I was impressed by the work of the Japanese E.T. group during Mimi Fereira - Mgr Lopes visit. I hope slowly the E.T. issue can grow out of isolation and become an issue picked up by larger groups in society.

Enclosed some efforts done by us, please send copies to Furuszwa-san and maybe Eda-san can write a similar letter to pressure the Dutch embassy in Tokyo.

The latest information is that the Indonesian Goverment has told the Dutch that it will take several months befor they can issue an exit visa for the 4 students. We are very angry that the Dutch has accepted this so easil that's why outside pressure might accelerate this stale mate situation. In the meantime the 4 are in serious financial difficulties as they lost everything since the decided to seek asylum.

I moved into a new house since December, the address is: Binnenkadijk 267, 1018 ZG Amsterdam. It will take some time before the telephone will be connec

My best wishes for the new year,

always
